HONOLULU – The crew of Coast Guard Cutter Harriet Lane (WMEC 903) returned to Honolulu Friday following a 68-day patrol in support of Coast Guard District Fourteen's Operation Blue

Pacific in Oceania.

The Harriet Lane crew departed Joint Base Pearl Harbor-Hickam in June and traveled more than 13,400 nautical miles spanning from the Hawaiian Islands to Tonga. Patrolling in support of Operation Blue Pacific, the cutter's crew worked alongside Pacific Island Countries to forge and advance relationships with like-minded allies and partners who share a common vision for maritime governance.

The crew's efforts included enhancing maritime domain awareness, combatting illegal fishing activities across Oceania, and participating in exercises to bolster partner capacity and interoperability. Leveraging bilateral maritime law enforcement agreements with Tuvalu, Tonga, Samoa and the Cook Islands, the Harriet Lane crew conducted six boardings alongside Pacific Island partners in their respective exclusive economic zones (EEZs). Additionally, Harriet Lane law enforcement teams conducted four fishery boardings on the high seas in concert with the Western and Central Pacific Fisheries Commission.

During Harriet Lane's patrol, the crew made port calls in Tonga, American Samoa, Samoa, the Cook Islands and French Polynesia. While offshore Niue, the Harriet Lane crew hosted key leaders for a maritime roundtable discussion, offered local high students a tour of the cutter, and sent personnel ashore to assist with community service endeavors.

While transiting home, the Harriet Lane crew conducted the [medevac of a 53-year-old fishing vessel crewman](#) experiencing stroke-like symptoms approximately 480 miles offshore Oahu.

"This patrol was another resounding success for the crew of Harriet Lane and reinforces the Coast Guard's commitment to delivering as a trusted partner across Oceania," said Cmdr. Nicole Tesoniero, commanding officer, Cutter Harriet Lane.

“This patrol took us to the far reaches of the South Pacific that most crew could have never dreamed of seeing and they continue to serve as model ambassadors for our unique mission set. In the final days of our patrol, Harriet Lane answered the call to render aid to a local fisherman in need of medical assistance nearly 500 miles from Oahu. While every aspect of this mission is incredibly rewarding, the knowledge that we were able to assist a member of the local community in a moment of need truly resonated with the crew. I am proud of their tremendous commitment to operational success and look forward to watching Harriet Lane’s impact continue to grow.”

Commissioned in 1984, Cutter Harriet Lane is a 270-foot medium endurance cutter homeported in Honolulu to support Coast Guard missions in the Pacific region. The service’s medium endurance cutter fleet supports a variety of Coast Guard missions including search and rescue, law enforcement, maritime defense, and protection of the marine environment.
