CHARLESTON, South Carolina – Coast Guard Base Charleston held a groundbreaking ceremony on Jan. 26 for a new 64-acre campus in North Charleston. Adm. Linda Fagan, Commandant of the Coast Guard, presided over the ceremony.

The 64-acre campus along the Cooper River will support the five Charleston-based national security cutters, their crews and the support personnel with completion expected in late 2026.

Marking a new trajectory for the Coast Guard in Charleston, Base Charleston is slated to become the service's largest homeport and a base for global operations, training and support.

Since its commissioning in 2015, Base Charleston has delivered customer-focused premiere support to all Coast Guard members, assets, and mission partners from Northern Florida to South Carolina. Moreover, the base generates Coast Guard global operational readiness.

Growth estimates show that the Coast Guard workforce may double in the Charleston area by 2030 and continued prioritization and investment in the future of Base Charleston is needed to make this vision a reality.

As one of the original 10 homeports for the Revenue Cutter Service, the greater Charleston area has proudly supported members of the Coast Guard and its predecessor agencies for more than 230 years.

The Coast Guard footprint in Charleston includes eight major commands; Coast Guard Base Charleston, Coast Guard Sector Charleston, and the Maritime Law Enforcement Academy, as well as numerous tenant commands and personnel in supporting roles throughout the region.
