SAN JUAN, Puerto Rico – The crew of the Coast Guard Cutter Joseph Napier offloaded 664 pounds (301 kgs) of seized cocaine and transferred custody of six smugglers to Coast Guard Investigative Service and FBI Special Agents in Mayaguez, Puerto Rico, Saturday.

The interdiction is the result of multi-agency efforts in support of the Caribbean Corridor Strike Force, while the

seized cocaine is estimated to have a wholesale value of approximately \$3.5 million.

The apprehended smugglers are facing federal prosecution in Puerto Rico on criminal charges including conspiracy to possess with intent to distribute a controlled substance aboard a vessel subject to the jurisdiction of the United States. The charges carry a minimum sentence of 10 years imprisonment and a maximum sentence of imprisonment for life. Special Assistant U.S. Attorney Helena B. Daniel and Maria L. Montañez, Deputy Chief of the Transnational Organized Crime Section are prosecuting the case.

During the afternoon of October 13, 2024, the crew of a Coast Guard HC-144 Ocean Sentry aircraft detected a suspicious 25-foot go-fast vessel in international waters north of Dorado, Puerto Rico. Coast Guard watchstanders in Sector San Juan diverted the cutter Joseph Napier to interdict the suspect vessel. A Customs and Border Protection Air and Marine multi-role enforcement aircraft also responded and maintained aerial surveillance of the suspect vessel. Once on-scene, the cutter Joseph Napier crew launched the cutter's Over the Horizon boat to stop the suspect vessel. During the pursuit, the passengers aboard the suspect vessel were observed jettisoning suspected contraband cargo overboard. Shortly thereafter, the cutter boat crew stopped the go-fast vessel. Following the interdiction, cutter Joseph Napier's crew recovered six bales and a single package of the jettisoned cargo which tested positive for cocaine. The six persons onboard the vessel were apprehended.

"This successful narcotics interdiction highlights the importance of interoperability with our Caribbean Corridor Strike Force and Caribbean Border Interagency Group partners." said Lt. Matthew Carmine, Coast Guard Cutter Joseph Napier's commanding officer. "I am humbled by the professionalism and seamless coordination between multiple Coast Guard units including, Station San Juan, Air Station

Miami, TACLET South, Sector San Juan Boarding Team, in conjunction with our interagency partners from Customs and Border Protection – Air and Marine Operations. Everyday my crew and I are proud to stand the watch alongside our Department of Homeland Security partners as we continue to relentlessly combat drug trafficking and illegal migration throughout the waters of Puerto Rico and the U.S. Virgin Islands.”

This interdiction, seizure and prosecution is part of an Organized Crime Drug Enforcement Task Forces (OCDETF) Strike Force Initiative, which provides for the establishment of permanent multi-agency task force teams that work side-by-side in the same location. This co-located model enables agents from different agencies to collaborate on intelligence-driven, multi-jurisdictional operations to disrupt and dismantle the most significant drug traffickers, money launderers, gangs, and transnational criminal organizations. The specific mission of the Caribbean Corridor Strike Force (CCSF) is to identify, disrupt, and dismantle Transnational Criminal Organizations. The CCSF is comprised of agents and officers from the Drug Enforcement Administration, Federal Bureau of Investigation, United States Immigration and Customs Enforcement, Homeland Security Investigations, United States Coast Guard Investigative Service, and United States Marshals Service, and prosecution is being led by the Office of the United States Attorney for the District of Puerto Rico.
