Collaboration positions defense contractors to support the sale, design and manufacturing of ships in Australia

BELOIT, Wis. – July 26, 2023 – Fairbanks Morse Defense (FMD), a portfolio company of Arcline Investment Management (Arcline), is teaming with Marand Precision Engineering (Marand) to expand its best-in-class marine technologies, OEM products, and service solutions to marine defense customers in Australia. Under the terms of the long-term agreement with FMD, Marand will manufacture and service components, as well as provide integrated solutions for FMD’s global customer

base.

“Our collaboration with Marand positions us to support the sale, design, and manufacture of specialized components for the Royal Australian Navy’s future programs while also giving Marand access to our highly trained field service technicians and service centers,” said FMD CEO George Whittier. “All our customers benefit from this arrangement.”

Fairbanks Morse Defense has over 80 years of working with the US Navy on their nuclear projects, and this partnership will allow the Australian market to take advantage of FMD’s expertise and experience for their own new nuclear submarine programs.

“This collaboration combines the expertise of two highly respected defense contractors, giving our customers worldwide access to an even broader range of manufacturing and engineering solutions,” said Stuart Lindley, Future Business and Strategy for Marand Defence. “We’re looking forward to working with Fairbanks Morse Defense and expanding our ability to serve customers globally.”

Based in Victoria, Australia, Marand has established itself as a global provider of precision-engineered solutions for the defense industry.
