Kratos Awarded $15 Million Order to Continue Training Support to Royal Saudi Naval Forces

SAN DIEGO –
Kratos Defense & Security Solutions Inc. was awarded a follow-on task order
by the Naval Air Warfare Center Training Systems Division, the company
announced July 17.

Valued at $15.1
million, it was issued against a U.S. Foreign Military Sales (FMS) sole-source,
three-year, single-award, indefinite delivery, indefinite quantity contract to
provide training-related products and services in a variety of disciplines to
the Royal Saudi Naval Forces (RSNF).

When combined
with the value of previous awards, the contract funding to date is $95 million
and has a potential value to Kratos of $99.3 million, depending on the number
of task orders issued and anticipated contract modifications under the FMS
agreement.

“This award expands our
ability to continue to support the RSNF’s commitment to the transformational
goals of the Ministry of Defense as it modernizes its growing

naval fleet,”
said Jose Diaz, senior vice president of Kratos’ training division.
