

Kratos Awarded \$15 Million Order to Continue Training Support to Royal Saudi Naval Forces

SAN DIEGO –

Kratos Defense & Security Solutions Inc. was awarded a follow-on task order by the Naval Air Warfare Center Training Systems Division, the company announced July 17.

Valued at \$15.1 million, it was issued against a U.S. Foreign Military Sales (FMS) sole-source, three-year, single-award, indefinite delivery, indefinite quantity contract to provide training-related products and services in a variety of disciplines to the Royal Saudi Naval Forces (RSNF).

When combined with the value of previous awards, the contract funding to date is \$95 million and has a potential value to Kratos of \$99.3 million, depending on the number of task orders issued and anticipated contract modifications under the FMS agreement.

“This award expands our ability to continue to support the RSNF’s commitment to the transformational goals of the Ministry of Defense as it modernizes its growing

naval fleet,"
said Jose Diaz, senior vice president of Kratos' training
division.
