BAHRAIN – U.S. Naval Forces Central Command announced July 5 it will begin rewarding individuals for voluntarily providing information that leads to the detection of illegal maritime activity and seizure of illicit cargo in waters across the Middle East.

NAVCENT is establishing a program for the first time to reward individuals who voluntary report information that meets specific criteria under the Department of Defense Rewards

Program.

“Launching this program represents another example of our commitment to this region and its security,” said Vice Adm. Brad Cooper, commander of NAVCENT, U.S. 5th Fleet and Combined Maritime Forces. “This also enhances our vigilance and supports counterterrorism efforts, which are essential to safeguarding the free flow of commerce.”

NAVCENT could potentially reward a maximum $100,000 payout for information or nonlethal assistance that supports counterterrorism operations or leads U.S. naval forces to successfully seize illicit cargo such as illegal weapons or narcotics. Rewards can also be non-monetary and include items like boats, vehicles, food or equipment.

U.S. citizens are not eligible for rewards under the program.

Last year, illicit cargo seizures in the Middle East skyrocketed after U.S. and multinational forces increased patrols in the Gulf of Oman and Arabian Sea.

U.S. 5th Fleet warships seized nearly 9,000 illicit weapons, three times the amount seized in 2020. Additionally, the U.S.-led Combined Maritime Forces seized illegal drugs worth $500 million in street value, a higher amount than the previous four years combined.

The U.S. 5th Fleet area of operations encompasses about 2.5 million square miles of water area and includes the Arabian Gulf, Gulf of Oman, Red Sea and parts of the Indian Ocean. The region is comprised of 21 countries and includes three critical choke points at the Strait of Hormuz, the Suez Canal and the Strait of Bab al-Mandeb at the southern tip of Yemen.
