Triangle, Va. – The Marine Corps Heritage Foundation (MCHF) is proud to announce the successful passage of the 250th Anniversary of the United States Marine Corps Commemorative Coin Act. The legislation, signed by the President on July 26, instructs the U.S. Mint to issue over 1 million coins to commemorate 250 years of Marine Corps history, and raise funds to support future educational, historical, and cultural programs. The commemorative coin minting becomes part of the upcoming, national celebration of the Marine Corps' 250th anniversary in 2025.

"We are grateful to the President and Congress, especially Representatives Moulton, Bergman, Gallego, and Pence, and Senators Blumenthal, Sullivan, Rick Scott, Rounds, Young, Shaheen, Warner, Heinrich, and Duckworth for their leadership and rallying their colleagues for the passage and signing of this bill. It enables us to further support and expand programs that educate all Americans about the rich history of the Marine Corps," said Major General James W. Lukeman, USMC

(Ret), President and CEO of the Marine Corps Heritage Foundation. “Through the minting of these coins, all Americans will be able to honor Marines for their 250 years of unwavering dedication to duty, service and sacrifice for the United States.”

By purchasing these coins in 2025, Americans will honor the legacy of the Marine Corps and celebrate 250 years of the Marine Corps while also contributing to the preservation and dissemination of Marine Corps history for generations to come.

The signed legislation authorizes the Department of Treasury to mint 50,000 five-dollar coins, 400,000 one-dollar coins, and 750,000 half-dollar coins.
