

Rite-Solutions Awarded \$60 Million NUWC Division Newport IT Services Contract

MIDDLETOWN, R.I. (March 18, 2024) – Rite-Solutions was recently awarded a \$60.7 million, five-year contract to support NUWC’s Activity Chief Information Officer (ACIO)/Information Technology (IT) division, which is responsible for strategic planning, operations, maintenance, and compliance of the center’s IT systems and infrastructure.

The company will provide IT services in several areas including software engineering, system administration, cybersecurity, client support services/help desk, Navy Marine Corps Intranet (NMCI) support, IT governance and application portfolio management support, and more.

“Cybersecurity touches every one of these areas,” notes Rocky Reeves, Rite-Solutions Sr Vice President and Director of IT Services. Over one-half of the personnel supporting this contract must meet the Navy’s strict Cybersecurity Workforce requirements. “This was a major reason Rite-Solutions won the contract. Many of our employees have degrees in cybersecurity or computer science as well as security and operating system certifications.”

“We are honored that NUWC chose to renew the contract with

us,” says Rite-Solutions co-founder Joe Marino. “While we are rapidly expanding into new technologies that give the Navy an Information Advantage, IT services and security remain a critical component of what we offer.”

The company is the prime contractor on the project and will work with subcontractors including SAIC, McLaughlin Research Corporation, Mikel, and others.

Rite-Solutions will support NUWC headquarters in Newport, R.I. as well as NUWC locations in Connecticut, Virginia, Florida, and the Bahamas.
