

Rite-Solutions Awarded Navy Combat Systems Engineering Services Contract

MIDDLETOWN, R.I. – Rite-Solutions has won a five-year, \$20.3 million contract with the Naval Undersea Warfare Center Division Newport (NUWC DIVNPT). The company will provide engineering, technical expertise, and program services including hardware and software engineering, systems engineering, system integration and test, fleet support, and lab support for Submarine Combat Control Systems.

In addition, Rite-Solutions will support the advanced development of new capabilities for these systems.

“For the U.S. submarine force and select allies, we will be studying new concepts and requirements, and supporting the development for these future systems as well upgrades and modifications for current systems in the fleet,” said Ken Haner, senior vice president and director of engineering services at Rite-Solutions.

This award comes on the heels of several other Navy contract and task awards to Rite-Solutions supporting the Navy’s efforts in undersea warfare (USW).

“We are extremely pleased to be able to support NUWC DIVNPT USW Combat Systems Department as they continue to improve our nation’s undersea warfare capabilities,” said Mike Coffey, executive vice president and general manager at Rite-Solutions. “This award recognizes the value of Rite-Solutions’ unique blend of small business agility and responsiveness, and large business quality and reliability.”
