Saalex Solutions Awarded U.S. Navy OLSS Contract

CAMARILLO, Calif. – Saalex Solutions Inc. has been awarded the SeaPort Ordnance Logistics Support Services (OLSS) contract by the U.S. Navy, valued at $5.7 million over five years, the company said in an Oct. 4 release.

The work will support the Navy Munitions Command Pacific CONUS West Division (NMCPAC CWD). Saalex will provide technical and support services at Naval Weapons Station (NWS) Seal Beach and NWS Fallbrook for the NMCPAC CWD mission of Fleet Ordnance Support.

Saalex's contract services include administrative and inventory support, truck driving and heavy equipment operations, key custodianship and magazine access for NMCPAC CWD, USB and DET FB. Support specific to the Surface Launched Missiles Division at USB includes support of the Standard Missile, Evolved SeaSparrow Missile, Tomahawk Missile and Vertical Launch systems material coordination, movement, and tracking. Support specific to the Air Launched Missiles Division includes support of the Navy Sidewinder, Maverick, Hellfire and Air Force Maverick material coordination, movement and tracking.

"Saalex is proud to be awarded this contract and once again support the Navy," said Travis Mack, president and CEO of Saalex. "We have a longstanding commitment to serving the Navy in its efforts to maintain the security of the United States and are honored to expand that relationship even further with this contract."
