VT Group Acquires DELTA Resources

CHANTILLY, Va. – VT Group has acquired DELTA Resources Inc., a firm that specializes in naval systems engineering and technical services for critical U.S Navy shipbuilding and fleet modernization programs, VT Group said a release.

Founded in 2000 and headquartered in Alexandria, Virginia, DELTA Resources provides Naval Sea Systems Command and the Navy's program executive offices (PEOs) with C5I and weapons systems engineering, integrated product support and other technical services. DELTA Resources also delivers information technology, cloud implementation and cybersecurity engineering services to a customer base that also includes the U.S. Army and the Defense Information Systems Agency.

"I am excited to welcome the DELTA Resources team to VT Group," said John Hassoun, VT Group's president and CEO.

"This acquisition adds differentiated technical expertise to our portfolio of fleet modernization capabilities and positions VT Group as a leading provider of full life-cycle naval engineering services for the next generation of naval platforms and weapons systems."

DELTA Resources founder and CEO Maria Proestou added: "I am immensely proud of the DELTA Resources team, their commitment to our customers and the business we've built together. This combination is the next chapter in our story." Proestou will continue to lead DELTA Resources as a subsidiary of VT Group.
